

JINGLE JAM

 churchnativity

We are so excited to see your child at Jingle Jam this Christmas Eve! To maintain the safety of all children at Jingle Jam, please provide your contact information should we need to reach you.

Scan the QR Code to fill out a simple contact form. If you have any questions, ask the Jingle Jam Guide for your section.

Your Jingle Jam Guide will also provide the two things your child needs to participate:

- (1) An LED bracelet with your section color and
- (2) Your section code marked on the hand

After Mass concludes, you can help us share the fun for future years by returning the LED bracelet as you walk out the doors.

Thanks for joining in Jingle Jam, and Merry Christmas!
